ST.
PATRICK'S
DAY

The text "ST. PATRICK'S DAY" is rendered in a bold, sans-serif font. Each letter is filled with a dense pattern of overlapping green leaves, creating a textured, natural appearance. The leaves vary in shades of green, from bright lime to deep forest green. The text is set against a solid, vibrant red background. The word "ST." is positioned above "PATRICK'S", and "DAY" is positioned below "PATRICK'S". There are a few small, scattered green leaf fragments around the main text, particularly near the top left.
